What: The 2012 CASMEC Conference will include a new opportunity for young choral musicians, The *Choral Leadership Academy (CLA)*. The CLA will bring together high school students who demonstrate an interest in the music profession, with pre-service college music education majors, for two days of musical and educational activities. These activities will teach musicianship skills, inspire confidence, and build camaraderie among musicians of the next generation. CLA members will gain a better understanding of our professional organizations, attend sessions at the CASMEC, and perform as a choir for an informal concert at the end of the Academy. CLA Faculty includes choral music education icons Charlene Archibeque and Rodney Eichenberger.

When: Friday, February 17, 2012 and Saturday, February 18, 2012

Where: Fresno, California; Sessions will take place in the Fresno Convention Center as part of the *California All State Music Education Conference (February 16-19, 2012)*
